About Second Wave

Second Wave empowers young people's creativity and activism through engaging young people as performers, writers, lyricists and technicians - developing new productions and youth-led creative outreach projects in the community. We run regular workshops for young people aged 11-25 years old from our dedicated studio space in Deptford. We also organise representation at public buildings such as civic suites, MP surgeries, local authority meetings and parliamentary offices. Our staff team often accompany young people to other venues such as youth centres, youth clubs, theatres, cinemas and museums.
